9. Make a précis of the following:

(04)

Reading is a welcome escape from dullness of daily life. It is an excellent recreation which rich and poor alike can afford. Moreover a large number of public libraries make reading cheaper and easier than ever before. A man who has developed a taste for reading asks nothing more of life besides the means of physical well-being if he is provided with books and time to read them. Reading of newspapers, history, geography, accounts of travels, drama and above all fiction is a source of keen delight. Millions of men and women nowadays find delight in reading.
